- 3-Man Scramble Ball format – All team members tee off. Select the best shot and all team members play from that position. Whichever ball is chosen, all team members must play from the same cut of grass that ball is lying on, e.g. if ball chosen is in the rough then all three play from the rough. The same process is followed until the ball is holed. Record the team score.
- Play both days will be from the **BLUE** tees.
- Flights will be assigned based on first round results. Ties for first place in all flights will be broken by score analysis. If necessary to determine the overall tournament champions, a sudden death playoff will take place starting at Hole #18.
- Optional competitions: Skins \$30.00 per team + Hole-in-one \$15.00 = Total of \$45.00 per team for the weekend. Skins awarded for each day's play. If no skins are won in Round 1, the pot carries over to Round 2, and vice versa.
