

The Second Solstice Golf Tournament

Monday, June 17, 2024

**Shotgun Start 5:00 p.m. 18 Holes Individual Net Stroke Play
Members Only \$45.00**

Please arrive by 4:45 pm to obtain your score card and team and tee assignments, and to allow time for any Pro Shop transactions and travel to your assigned tee.

- This tournament consists of one 18-hole round, played this year on Monday, June 17th.
- *****New this year***** We'll provide a BBQ handful (burger/hot dog/sausage) during play, and a late-night finger food buffet at the end, all included with entry.
- No flights and no divisions by age or gender. Everyone competes equally, and the winners are determined by net score, i.e. strokes minus playing handicap. **Whoever has their best day, wins.**
- Individual and team competitions, played concurrently. Entries are limited to the first 72 received. (Teams are assigned by the tournament committee.)
- Open only to Club members who have a valid index on the Golf Canada system and at least 3 scores entered on the system for the current season. The Games & Handicap Committee is the final adjudicator of playing handicaps.
- Competitors may play the round from any colour tee block. Handicaps will be adjusted accordingly.
- Playing groups are teams assigned by the tournament committee, structured so that all teams contain players of different skill levels and have roughly equal group average handicaps.

- Prizes to the top five finishers and the top team in the form of pro shop vouchers. Prize values increase with the number of players competing. The individual first winner will also take home the unique Solstice trophy, a one-of-a-kind wildlife carving by local artist Garry Jacobson, similar to last year's (pictured left)
- *****New this year***** Participants will earn 8 points for "The Grind", our season-long men's competition. Additional points to winners: First – 42, Second – 36, Third – 30, Fourth – 24, Top Team – 18 each
- The draw and results will be posted at [this link](#).
- We want everyone to finish safely in daylight, so please maintain the pace of play by keeping up with the group ahead.

This tournament is designed:

- 1. To encourage social interaction and give new members an opportunity to become part of our Club.*
- 2. To be an entry-level event not requiring entrants to find a team or make a large time or financial commitment.*
- 3. To promote members' maintenance of a handicap index on the Golf Canada system*

Do not bring personal alcohol onto the golf course or the parking lot. Anyone found in possession of personal alcohol will be disqualified from the tournament without refund, and directed to leave the premises. The unauthorized beverages will be confiscated.

Enjoy your day, and thank you for your support of Parry Sound Golf & Country Club.
